BLACK LACE-UP ZIP-SIDED ANKLE BOOT

KING'S

by Honeywell

The Logical Choice

Description: Water resistant leather, lace-up zip-sided safety boot.

Size: 5 – 13, 6 ½ - 10 ½

Colour: **Black**

Application: Construction, Manufacturing, General Industries, Utilities, Logistics, Food Processing/Manufacturing

Standard: AS 2210.3, EN ISO 20345:2011 (S1)

Features:

- Convenient, quick release side zip for easy donning and doffing.
- King's signature wide profile steel toecap for greater comfort.
- Strong and durable water resistant leather upper.
- Padded ankle collar for superior ankle comfort and support, and to prevent chafing.
- Enhanced footbed offers greater comfort and support to heel, with highly breathable perforated channels that dries up faster and promotes foot freshness.
- Gusseted tongue provides added comfort and minimizes water and debris penetration into the boots.
- Highly breathable 3-D lining reduces abrasion when it contacts to skin and allows feet to remain insulated and draws moisture from the foot.
- Lightweight, shock absorbing dual density polyurethane (PU) sole for added comfort. Resistant to 120°C surface contact.
- Cleated sole optimizes fluid evacuation, flexibility and enhances grip for better stability.
- Marked heel provides better grip while walking up the stairs and climbing ladders.
- Wear-off indicators on sole provide an early warning on sole wear and potential loss of grip.
- Sole resistant to mineral and organic oils.
